

January 2023

Welcome!

Welcome to the first newsletter for the Kedzie Avenue Corridor Study! These newsletters will offer project updates, ways to get involved, and ways to stay connected.

In accordance with Cook County's long-term goals outlined in [Connecting Cook County](#), the Cook County Department of Transportation and Highways (CCDOTH) has initiated the [Kedzie Avenue Phase I Study](#). The study area includes the Kedzie Avenue corridor from 159th Street (US Hwy 6) to Vollmer Road.

This study will include an assessment of pavement condition, traffic, multi-modal facilities, drainage, safety, and environmental conditions and needs along this roadway corridor. The overall goals of the project are to address existing deficiencies and improve safety and mobility for all users.

Note: You are receiving this newsletter because you have been identified or self-selected as someone to receive updates about this project. If you would prefer to not receive email updates about this project, please click the unsubscribe link below and stay informed through the [project website](#).

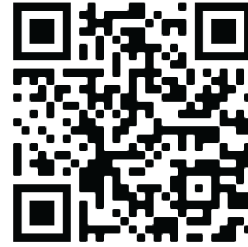

Project Updates

Tell us what you think! As part of this study, the team is conducting a public survey now open through January 31, 2023! This interactive web-based survey will gather information about how people use the corridor and collect

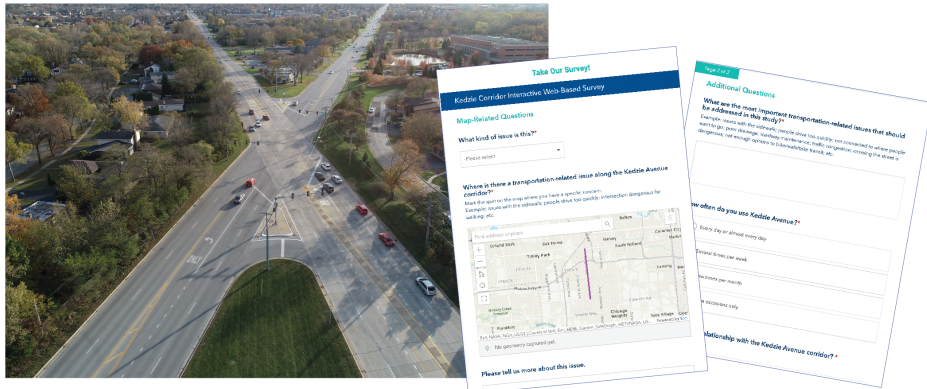

What do you love about Kedzie Ave (and what would you change)?

Take a 2 minute survey
to share your ideas.

Survey EXTENDED to January 31st, 2023.
